MEMORANDUM FOR: Director of Security
VIA : Deputy Director for Support
SUBJECT : Assistance in Preparing Report on Agency
Procurement

I would like to express appreciation for the assistance of the Special Security Center of the Office of Security in the preparation for publication of the report on Agency procurement. The report presented a number of problems in security classification that could not have been resolved without this assistance. I would also like to note especially the invaluable contribution resulting from the wholehearted cooperation and painstaking professional work of [redacted]
